Newsletter

It is already that time again when we say goodbye to our children who are making the transition from us to go to local primary schools, we wish them and their families all the very best.

The children enjoyed celebrating Kelly's wedding celebrations in May which included eating cake and a puppet show. And they made a beautiful picture with all their finger prints which she loved and we are sure she will treasure.

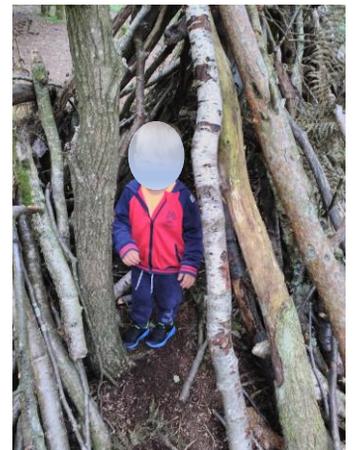

The Sponsored Toddle was a great event again this year. The children were amazing, walking around the recreation ground 3 times and kept us grown-ups going. In total we have raised a whopping £213.90 - once again, thank you.

Father's Day afternoon tea was brilliant with bacon baps. The children coloured in pictures of their Dad's as well as making cards and presents.

Sports Morning was inspiring to watch all the children taking part and cheering each other on. They all thoroughly earned their certificates and medals.

Snelsmore Common was a lovely afternoon out with the children. We walked around the main area and found the fire tower and a den whilst looking for various wild flowers.

The coloured rice has proved a real hit with the children and it really simple and fun to make yourself. Put some rice in a plastic bag, squirt in some paint and squish the rice around until it is covered in paint. The empty the paint covered rice out to dry.

The children also really enjoyed building structures with clay and lolly sticks. They were really creative and tried out making different shapes and structures.

We have spaces for September, please do get in touch if you wish your child to have more hours. We will be continuing the Friday morning sessions for our 3+ children.

Don't forget if you introduce a family and they sign up and the child starts you will receive a £10.00 gift voucher.

We look forward to welcoming our new children in September who have had their visit mornings.

As we are nearly at the end of this year, we are already looking ahead for the new academic year. We cannot do this with out your support, big or small.

One key area where we need support is through the committee as we can not run without a committee. The committee work together with the team in organising different events. If you would like to know more details then please do speak with Sarah.
